About KCRG

Kilconly Community Recreation Group (KCRG), is a passionate community-driven group dedicated to enhancing local amenities and promoting active, healthy lifestyles for all ages and abilities in collaboration with Kilconly GAA & LGFA and Kilshanvey United.

In the past 12 months, new basketball and tennis courts have been completed, lighting for the community pitch and walkway, essential maintenance on the astro pitch and roadway.

Our latest project is to build a recreation centre for the community. This recreation centre is more than just a building. It is a symbol of our community's strength and unity. Whether you are here in Kilconly, from surrounding parishes, or part of our diaspora around the world, your support can help us create a space that will serve our families, our sports clubs, and the wider community for generations to come.

We now need YOUR SUPPORT to finish the centre.

The Plan

The current facilities are not fit for purpose. The community has waited years for proper changing facilities, public toilets and other amenities to be developed in Fitz's Field. This new build will deliver all this and more. It will provide an inclusive space, open to all individuals who wish to offer classes in arts and crafts, wellness, education, birthday parties or other community focused activities.
